

# ALL PEOPLES CHURCH

## Steps for Lifegroup Leadership

1. **Pre-meeting** — Pray over the night. Wait on God. Make sure all roles are assigned.
2. **Hospitality Time** — Welcome everyone at the door. Greet everyone by name, make sure everyone feels loved.
3. **Meal time or snack time** — Spend time eating together, as a leader sit with new people.
4. **Icebreaker** — Ask a question that is lighthearted and gets everyone sharing with ease.
5. **Vision** — Share Acts 2:42-47, share Get Rocked, Get Real, Give It Away, and talk about how the group will multiply.
6. **Announcements** — The announcements are given in the leaders discussion email.
7. **Worship Time** — Give vision for praising God. Small children may be dismissed after a song of worship.
8. **Worship Ministry Time** — As a leader, ask God for words for others and make your way around the room praying for each other. Read 1 Cor 14:26 and tell everyone they will have something for someone.
9. **Discussion** — Your goal is to not talk too much and to really get everyone else talking. Always make sure the Bible is opened and the key scriptures are read and discussed.
10. **Prayer Time** — Break into pairs or threes of same gender and pray over each other.
11. **Post-meeting** — 5 minute touch base with co-leaders summarizing the night and delegating follow up of visitors and pastoral needs.
